Dear Car Show Entrant,

Thank you for pre-registering for this Saturday's car show! Below are important details regarding load-in, parking and the many events.

- **Load-In Details:**

- **Date:** Saturday, September 27th

- **Time:** Parking begins at **9AM in the city parking lot of the Nancolas Building on 6th Ave and Blaine Street**. There are a few parking spaces on Arthur St and along the Indian Creek Plaza area reserved for unique and design or custom finish entrees. When registering if you would prefer to park in one of those areas, please let the staff know so that your vehicle can be directed to one of those areas. This is very limited space and on a first come first serve bases. All vehicles must be parked by **12:30 PM**.

- ***Note: No vehicles will be permitted to enter the show area after 1 PM.***

- When you arrive, please load in from **Blaine Street into the Nancolas Center Parking lot on 7th Avenue**. Our staff will be there to assist with parking and guiding you to the registration booth for check-in. You will receive your commemorative dash plaque and dash number upon completing registration located on Arthur St and 7th Ave on the Indian Creek Plaza side of Indian Creek. There will be several people there helping so registration will go fast.

- **People's Choice Award:**

- Please display your dash number to participate in the *People's Choice Award*, and the vintage years awards.
- Awards and trophies for new categories this year.
- All tickets used for voting for the many categories of trophies and awards must be returned to the registration booth to be counted toward the winning entrees.
- The awards and trophies will be announced after **3:00 PM** from the Registration Booth where you signed in.
- All winners of awards and trophies will have their picture taken with their car, so please hang around so that we can get your picture to be included and featured with the winners on the 2026 car show award!

-

The car show event concludes after the award presentation after **3 PM**, and we kindly ask that no vehicles exit prior to this time unless escorted by the Car show Staff. The Brewfest does not end until **6 PM so all cars are encouraged to remain on display until the end of the Brewfest**.

Thank you for joining us—we look forward to seeing your amazing vehicle this Saturday!

Best regards,
